GOODWILL INDUSTRIES BUILDING FUND

1. The Davis Memorial Goodwill Industries Building Fund Campaign will be conducted in this Agency from 1 July through 15 July 1955. It is not anticipated that future fund drives will be made by the Goodwill Industries.

2. The Davis Memorial Goodwill Industries is the only all purpose self-supporting sheltered workshop for the handicapped in the Metropolitan Area. Its sole purpose is to help the handicapped learn to help themselves. They are taught trades and skills in the refurbishing of discarded wearing apparel and household furnishings contributed by local citizens. Resale at bargain prices in Goodwill retail stores provide the wages for the handicapped.

3. Last year over 1300 people were denied this opportunity to work and learn a useful trade because Goodwill lacked adequate shop space and facilities. The Goodwill is conducting a drive to raise \$600,000 to build and equip an annex that will enable them to employ, train, and rehabilitate twice the number of handicapped persons presently accommodated.

4. ~~It is hoped that all Agency personnel will support this worthy campaign.~~ Contributions may be placed in special envelopes which will be distributed throughout the Agency by Administrative Officers. The Employee Services Branch, Records and Services Division, has been designated to receive and forward all contributions to the Goodwill headquarters.
